

ANNO MIRABULAE

1963

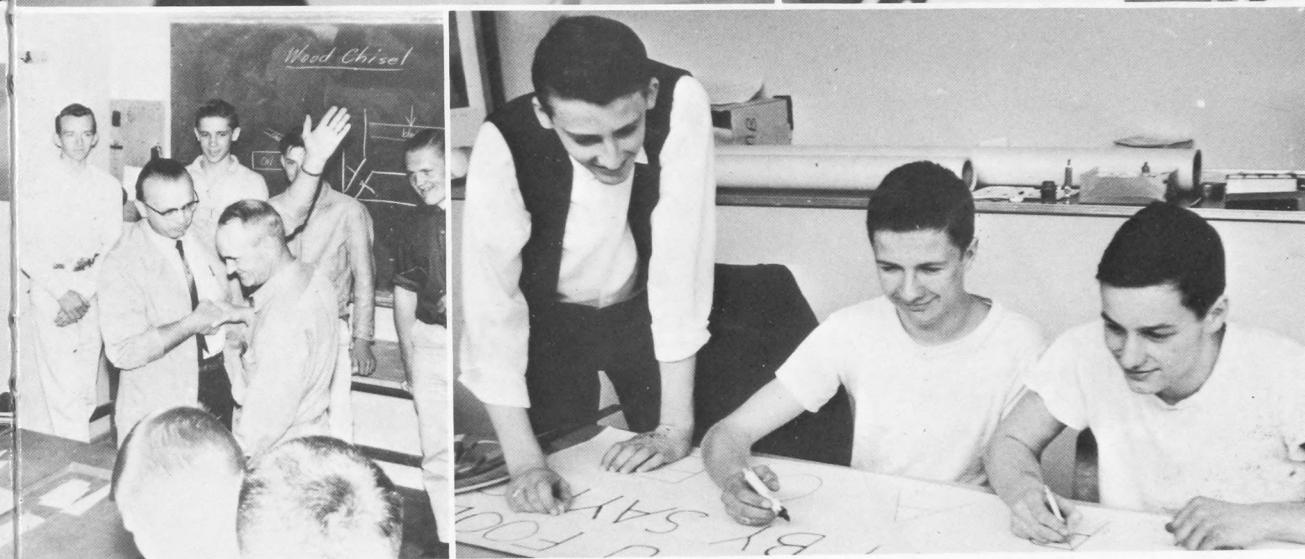

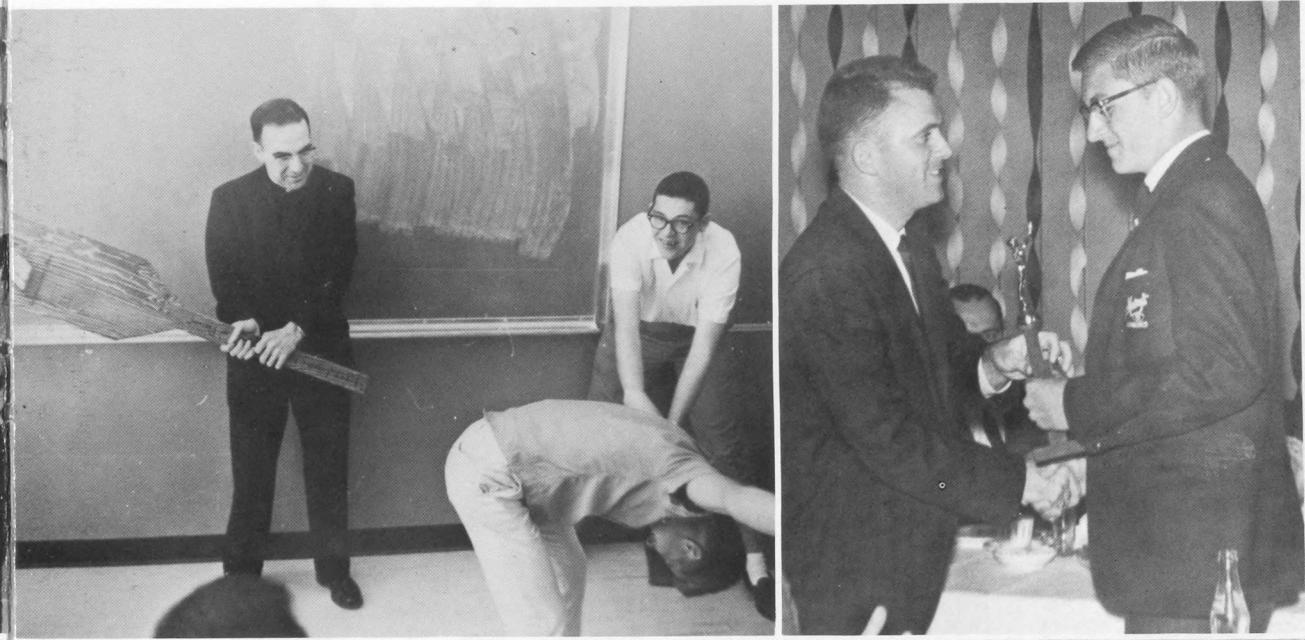

THE STAFF AND STUDENTS
OF ST. MARY'S BOYS'
ARE PROUD
TO
PRESENT
THE 1963 EDITION OF

ANNO MI

RABILI

HIS EXCELLENCE
THE MOST REVEREND
F.P. CARROL, D.D.
BISHOP OF CALGARY

FR. B.W. McCARRON, C.S.B. PRINCIPAL

To what shall the spirit of St. Mary's Boys 1962-1963 be likened? Perhaps they have much in common with the famous group who once roamed "Sherwood Forest."

As one surveys our "Surewood forest", one sees young, healthy trees but little deadwood. The foliage is green and pleasantly set off by the white of passing cloud. Suddenly figures move from tree to tree. Is it Robin Hood and his "merry men"? Identify them: Little John, Will, Friar Tuck. All are "merry men" living fully, lives dedicated to righting injustice in the name of their true king.

Students of St. Mary's: If you will live fully, lives dedicated to the cause of our King, you must become "Mary men". Offer to her not only your book of the year but also the year itself and then your every year.

As men of Mary you will find happiness.

FERGUSON TROPHY

The Ferguson Trophy is annually given to the best athletic school in Calgary. After failing to win it for an embarrassing number of years, St. Mary's last year won it for the first time. The trophy again rests at St. Mary's, we winning it 16-11 over Henry Wise Wood, rounding out a fine year.

to go. The sad face of the
problem is that the trouble
has seldom originated from
high school students. The
administrative action was
actually triggered by a
chain of three similar inci
dents at different high
schools over the past two
years. A pattern seems to
accompany the trouble. The

... On Education ...

"Let no youth have any anxiety about the upshot of his education, whatever the line of it may be. If he keeps faithfully busy each hour of the working day, he may safely leave the final result to itself. He can, with perfect certainty, count on waking up some fine morning to find himself one of the competent ones of his generation, in whatever pursuit he may have singled out. Silently, between all the details of his business, the POWER of JUDGING in all that class of matter will have built itself up within him as a possession that will never pass away. Young people should know this truth in advance. The ignorance of it has probably engendered more discouragement and faintheartedness in youths embarking on arduous careers than all other causes put together."

A blue-toned photograph of a school building. The building features a large, multi-story section with several windows and a prominent entrance. To the right, there is a brick wall with a sign that reads "DANIA'S BOYS SENIOR HIGH SCHOOL". The overall image has a vintage, slightly faded quality.
